Announcement

A large, stylized, red capital letter 'T' with a decorative flourish underneath it.

O Brother Breeders and Lovers of Good Short Horns: In coming before the public at this time with our twelfth annual offering of forty-nine head of high-class Scotch Short Horns, we feel that we are parting with some of the most wonderful individuals that have been offered at public auction in recent years. Especially is this true of the daughters and grand-daughters of Victor Sultan. It is with regret that we part with these good young animals, but we feel they will be greatly appreciated by the public.

All of the cows of breeding age will have calves at foot and most of them rebred to our noted herd bulls, whose pedigrees appear in this catalog. You will find more Sultan blood in this offering than has been offered before in any sale, as there are twenty-one cows and heifers sired by this great breeding bull, Victor Sultan, and eighteen grandsons and grand-daughters. Victor Sultan was the sire of Lavender Sultan and Lavender Sultan was the sire of Merry Monarch, the grand champion steer ever all breeds at the 1917 International, and sold for \$2.10 per pound, the highest priced steer on record.

The breeder who secures the blood of Victor Sultan is getting top specimens, and such stock cannot help prove of the highest possible benefit to the herds of those who are fortunate enough to profit by the opportunity of this sale.

We do not believe there has been a better bred lot of cattle cataloged by any breeder, from a Cruickshank, Marr, Duthie and Campbell standpoint, and we firmly believe that when you see the cattle you will say their individual merits are fully up to their breeding.

We will surely appreciate your attendance sale day, knowing that you will not be disappointed in these cattle. We extend to you a very cordial invitation to attend this sale, either as a prospective bidder or visitor.

With best wishes,

GEO. ALLEN & SONS.

Guarantee

WE believe all animals in the catalog to be breeders. Cows sold with calves at foot or showing safe in calf are considered breeders, and no further guarantee on same; but cows lately bred and open heifers must be producers, but on failure to breed may be returned to us at purchaser's expense, and should such animal fail to breed after six months' trial, an animal of equal value will be given in its place. Bulls are guaranteed breeders when properly cared for and not allowed to run with the herd. Should any fail to breed he must be returned to us, and if he fails to prove a breeder for us, another of equal value will be given in exchange. Complaints must be filed within six months from date of sale. Sixty day insurance, starting May 21st, goes free with these cattle.

Terms—Cash or short time note bearing 8 per cent interest will be given. Anyone not personally known to us desiring to give note for purchase, please bring bank reference. All stock will be loaded on cars at South Omaha free of charge, without care to the purchaser, and will be tuberculin tested, to conform with the different State requirements, before the sale.

Pedigrees—A transfer Certificate of Registry in the American Short Horn Herd Book will be furnished for every animal, with the exception of the young calves sold with the dam, and there will be furnished with these a pedigree in the application form—ready for registry.

Bids—Parties unable to attend the sale may send mail or telegraphic bids to either of the auctioneers, in our care, at the Great Western Commission Company's office, at South Omaha, Nebraska.

Auctioneers—Col. W. S. Duncan, Clearfield, Iowa; N. G. Kraschel, Harlan, Iowa, and Milne, Kahoka, Missouri.

Attention is called to circuit of sales:

Thompson, Jackson and White sale, at Sioux City, Iowa, June 11th.

E. Ogden & Son, Maryville, Missouri, June 12th.

Bellows Bros., Maryville, Missouri, June 13th.

Please bring this Catalog with you to the sale

She is a low down, blocky cow, and is bred well enough to go in any herd in the country, in fact we don't think a better pedigree could be written. She will speak for herself sale day. She is full sister to the dam of the \$4,400 Village Golden in the Hopley sale. Sells with a roan cow calf by Rosewood Sultan 2d. Rebred to same.

Silver Plate 145554—was for a time on hire in the King's herd at Windsor and afterward famous as a stock bull at Bapton Manor. He won besides other prizes, first at Newport in a large class. He belongs to the Inverquhomery Rosewood family, which has furnished many Smithfield winners.

Lady Rose 198747—belongs to the Barmpton Butterfly family, and no family stood higher in Mr. Cruickshank's estimation. Barmpton Flower, in this pedigree, was the dam of the great herd bull, Barmpton 37763, used for many years by Mr. Cruickshank. He was the sire of Earl of Aberdeen 44992, Baron Victor 44944, the great Spartan Hero 77932, and several other bulls imported from 1880 to 1885—a set of bulls to which is largely due the popularity of the Cruickshank cattle in this country. Here is a fine cow. Can't be a better bred Scotch cow. Don't overlook her. She has a roan cow calf at foot by Royal Sultan 352425. Rebred to Rosewood Sultan 2d.

Orange Quill 3d 85743—sells with a roan cow calf at foot.

Imp. Orange Blossom 18th—was a red, of 1873, bred by Amos Cruickshank, Sittyton, Aberdeenshire Scotland, and imported as a yearling by Edward Hes, of Illinois, being sold later to J. H. Kissinger for \$2500 and later going to Mrs. Kimberly of Iowa for \$3500, the record price for a Scotch female. She was a great heifer, a splended specimen of her noted race, a very short legged, thick, heavy-fleshed animal. I consider her one of the best heifers that ever crossed the waters or was ever bred by the grand old man, A. Cruickshank.

Beauty Queen 557600—belongs to the **Queen of Beauty** family and is a most promising looking heifer. Bred to **Rosewood Sultan 2d**.

Imp. Queen of Beauty—calved December 6, 1869, and imported in July, 1871, by Shaw & Dryden, of Ontario, Canada. She was bred by Amos Cruickshank, of Sittyton, Scotland; and is of the same foundation as his noted Orange Blossoms. Sanders' History says: "Queen of the South was one of the greatest cows of her day in all Scotland." She was a roan of splendid flesh and substance. She won first prize at the Royal Northern in 1862, and the Society's medal as the best animal at the show. One of the best of all the latter day Scotch sires, William of Orange, owned by Mr. Marr is of this family. There are no better individuals or better bred Scotch Short Horns in America than some of the descendants of **Imp. Queen of Beauty**.
